

FAI Plan

Long-Term Vision : FAI will strengthen its position as the universally recognised world air sport authority, and strive to ensure that air sports become increasingly available and attractive to future generations throughout the world.

Missions		Goals
Enabling Mission	To provide the environment required to achieve the Vision.	1 Complete programme of FAI modernization and restructuring.
		2 Help ensure access to airspace and flying sites, flight safety and environmental protection.
		3 Develop tools for effective internal and external communication.
Mission I	To conserve and exploit FAI's aeronautical heritage and fund of expertise	4 Add value to historical archives, and conserve a century of sport aviation records and achievements.
		5 Collect and make available to others the expertise within FAI.
		6 Promote in society the positive values and enthusiasm generated by air sports and flying.
Mission II	To ensure a bright future for air sports	7 Encourage the development and use of new technologies.
		8 Develop and promote attractive sporting events.
		9 Establish the World Air Games as FAI's flagship event.
