Subcommittee F3 Radio Control Aerobatics Report 2015

Dear all,

Bangkok, Nov 08, 2015

the Subcommittee F3 Radio Control Aerobatics has worked actively in a very cooperative way, with a number of results achieved during the last year's periode:

- Successful votes on Subcommittee proposals at the CIAM-Plenary 2015 resulting in a further development and refinement of the Sporting Code Volume Aerobatics and the introduction of F3A schedules A-18, P-19, F-19 and F3P schedules AA-17, AP-17, AF-17.
- Review of Subcommittee members before May 1st (currently 24 members).
- Various spot meetings with Subcommittee Members and members of the „Judges' Forum“ during the 2015 F3P Wold Championship, and 2015 F3A Wold Championships.
- Strong support of the German organiser of the 2016 F3A European Championship and the Chinese Taipei organiser of the 2016 F3A Asian-Ocenic Championship.

The 2015 F3P World Championship at Pruzkow, Poland was a perfectly organised and a very exciting event, as was the 2015 F3A World Championship 2013 at Dübendorf, Switzerland. For further details, please refer to the respective Jury Reports.

Thank you for your attention.

Best regards

Michael Ramel
